## RESPONSE TO REQUEST CORRECTED FILING RECEIPT

## Claims, Fees, Inventors and Continuity

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- The total number of claims appearing on the Filing Receipt does not include multiple dependent claims. The total fee appearing on the Filing Receipt includes the cost of multiple dependent claims that were present at the time the application was filed.
- The filing fee is correct. It includes the surcharge under 37 CFR 1.16(e) for filing an oath/declaration or basic filing fee after the application filing date.
- The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined). The inventor's residence allows for up to 40 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- Continuity claimed under 35 USC 120 cannot be added to the Filing Receipt without supplying the relationship (i.e. continuation, divisional...).
- Foreign priority will appear on the Filing Receipt in the following order:  
**Country, Application number, Filing date.**
- The person signing on behalf of the deceased inventor will be reflected on your Filing Receipt as the legal representative.
- The enclosed Filing Receipt was returned to the Office as undeliverable. We are sending a second filing receipt to the address given.

Only one character per space is allowed. Therefore, punctuation which is usually placed above or below a letter, such as an umlaut ( . ), cannot be included on the Filing Receipt

Any corrections that may need to be done to your Filing Receipt should be directed to
